# Introducing the Bravo™ Disc Publisher

Automatically burn and print CDs and DVDs – hands-free and totally unattended! It's easy with the new **Bravo Disc Publisher** from Primera Technology.

Bravo is the world's first and only "all-in-one" disc duplication and printing solution that's priced at less than \$2000.\* Yet it includes high-end features like 48x CD-R recording,

built-in 2400 dpi color printing and professional Windows-based duplicating and labeling software.

Applications for Bravo are almost unlimited since you can burn virtually any digital information onto CDs and DVDs including music, audio, software, video, presentations and much more.
