CopyWriter Live

COMPACT
disc

Let CopyWriter Live bring digital quality audio to your church, school, studio, or boardroom! The CopyWriter Live combines the flexibility of cassette tapes with the quality and longevity of CDs, in one low-cost, easy to use unit.

You can record from practically any audio source, including live feed from a microphone, a cassette deck, a mixer, and many others. Make a high quality CD on the first try, every time, or make backup copies of audio or data for long-term storage. You can even span from disc to disc to record non-stop for hours on end.

The possibilities are endless!
